satistuberculosis campaign to \$2,000 does not open until Dec. it interest in preliminary organics has hardly been equaled by any welfare movement in peace times. Jage: Face and sect has pledged hole-heared support e fact that tuber-vilosis caused a toll of 400 people annualy in Meriand that it is preventable and curin its incipiency, brings the quesquarely up to every individual en.

The most seplendid co-operation has

The most septendid co-operation has seen met at every turn. Memphis nectices are forming their own organization to assist in wiping out this scourge hat strikes the magro even harder than it does the white neople. Negro minisers, business men and newspapers are long splendid work.

The school board has co-operated in a unique manner. Every school child in Memphis has been informed of the eriousness as well as meaning of the campaign, and has been induced in write a letter to their parents.

Herewith is a sample received from its son by R. F. Loyd at Carruthers pour

Our Team Daddy—I have promised Mirano to help in any way I can in the
ight on tuberculosis. This diseascills 600 hindred people in Memphis evtry year. It can be prevented and can be cured. Seven out of every teasea of tuberculosis start with children
aut they do not inherit it from the
sarents. When I learn how, I am goin
to do my beet to liein. Will you from
ase to help, too; Your son, John Loyd.

ARKANSAS TO OVERRIDE **COUCH'S POSITION**

CITTLE ROCK Ark. Dec 4 (Spi.) officials here express great surprise even a statement from H. C. Couch, state fuel administrator, that he sid not contemplate putting fuel conservation regulations into effect in this state because use claimed he lacked power as enforce such orders.

They pointed out that fuel administrators in other states considered their authority sufficient, and that virtually every state in the union except Arkanias is observing drastic conservation measures. An appeal to the regional committee to override Mr. Couch's stand will be made immediately, it was said, Gov. Brough made no comment on the matter.

CAPTAIN NOWLAND GETS WATERWAYS POSITION

Capt. Edward Nowland, of Memphis, for many years identified with Mississippi river traffic, has been appointed as superintendent of the Mississippi river division of the Mississippi Warriowaterways, to succeed R. B. Downs, of St. Louis

waterways, to succeed R. B. Downs, of St. Louis.

The appointment was announced Wednesday afternoon by Lewis T. Kavaraugh, who was in Memphis Wednesday. Capt. Nowland will make his beadquarters in St. Louis.

Capt. Nowland will make his beadquarters in St. Louis.

Capt. Nowland has served as steamboat captain and in various capacities on the river for many years, and enjoys a wide acquaintance among river and business men.

Encouraging increases in the amount of traffic on the Mississippi was reported by Mr. Kavanaugh who stated that with increased facilities the traffic would also show a tremendous enlargement and that.

would also show a tremendous enlarge-ment and that officials were highly gratified with the showing already FORMER MEMPHIAN

DIES IN FAR WEST

Mrs. George P. Henry, sister of R. A. Parker and Mrs. Lucas Clapp, of this city, died Sunday evening in San Francisco after three days illness of pneumonis. The body was cromated and the funeral services held in San Francisco on Wednesday afternoon.

Mrs. Henry was born and reared in Memphis, moving with her husband and son, George P. Henry, Jr., to San Francisco in 1875, where her husband died several years ago. She has since made her home with Mrs. Clapp at the Hotel Gayoso during the winter months and the summers were spent in Cal-

forma.

Mrs. Clapp was in Memphis, having come to spend the holidars with relatives. She left for her sister's bedsida, but arrived two days after her death.

Mrs. Clapp will make San Francisco.

MORE ENUMERATORS TO TAKE CENSUS NEEDED

More enumerators to complete the eceps of 175 men and women to take the local census are needed, according to Charles G. Dean, supervisor of the census in Memphis. A final examination to qualify for the government work will be held in the examination room of the custom bouse on Wednesday, Dec. 19. between the hours of 3 a.m. and noon. Blanks must be filed in order to qualify for the examination. These may be secured by application to the office of the supervisor, 1933 Falls building. Men and women between the ages of 18 and 70 are eligible for the work. The taking of the census will begin on Jan. 1 in the city and will last two weeks. The work in the county will commence at the same time and will last 20 days.

W. S. CARTER, FORMER MEMPHIAN, BURIED

The funeral of W.S. Carter, 48, formore Memphian, for the last three years prominent in commercial life in Cleveland, O., was held Thursday morning from St. Patrick's church. Interment was had in Calvary cemetery.

Mr. Carter died Thursday at a sanisation in Rochester, Minu, where he had been taking treatment for some weeks. He was the brother of M. E. Carter, member of the firm of M. E. Carter & Co. of this city, and of Mrs. M. Freguson of Bunton. A wife and two children in Cleveland also survive.

Mr. aCrter, left Memphis about 20 years ago and for the last three years had been engaged in the brokerage business in Cleveland.

COUCH CAN'T ENFORCE FUEL ORDER IN ARKANSAS

PINE BLUFF, Ack. Dec. 1 M. C.

PINE BLIFF, Ark, Dec. 4 M. C. Cuch, state for a minimistrator, occurred today that no regulation regarding coal conservation measures are contemplated in Arkansas because he has ne authority to enforce them.

Mr. Couch further advised residen's of Arkansas to tay in a supply of wood for fuel and not depend on replenishing of coal squales. Failure of the gas morphy, he said, would entail sections affering in the other of the state unless would be stored in for such an unergance.

Merry Garden Ballroom. Open 8 p.m. to 10,20 p.m.
On account of fuel restrictions these
sours will be observed until further readv.
